

## LA FABRISERIA Amarone della Valpolicella Classico DOC

### PRODUCER'S STORY

The Tedeschis' name is one of the names rooted in the history of Valpolicella Classica wine. The estate's first documents date back to 1630: the family continue the work of interpretation and exaltation of the territory in the entirely 46 ha of hillside vineyards' property, out of a total of 99 hectares.

Attention to tradition, focus on innovation, knowledge of the territory, sustainable viticulture and vinification of the grapes from single vineyards are the key elements that make up the identity of the Tedeschi's estate.

These values have become the Tedeschi's style, a mix of strength, elegance and unmistakable character, a true and a typical expression of the territory.

### WHAT HAPPENED IN 2011?

With the exception of July, the temperatures of the 2011 vintage were higher than the historic averages; this caused an anticipation of the vegetative cycle and facilitated vineyard treatments. Regarding the water, the first three months of the year were rainy; April and May were dry, and June and July were quite wet: Overall, despite the climatic variability of the vintage, it proved to be of good quality, yielding grapes with high sugar and tannin contents; pH and acidity were lower than those of the two preceding vintages, but within the long-term averages.

### WHAT DOES IT TASTE LIKE?

Aging aromas such as roasting, vanilla and tobacco together with red fruits such as red currants, raspberries and cherries under spirits. Notes of honey and alcohol make this quite special and, at the same time, a classic Amarone. It shows harmony and balance. Full-bodied, with a lovely silky tannins and a long persistence, long raisin and spicy after-taste. This wine has an exceptionally long and persistent flavour.

### WHAT TO DRINK IT WITH?

Red meat and game-cheeses, aged cheeses, medium spice food.
